**Subject:** Bonita Peak: ATP Meeting

Hi Mike and Shawn,

I hope you both are well.

Our staff ATP specialist and attorney (Suzanne Pyatt) is currently processing the financial information for Hennis and his associated companies.

Mike, you mentioned in our last meeting that you would like Suzanne, and possibly our financial expert, Mark Torchiana, to have a meeting with Richard (and possibly other EPA attorneys) regarding the preliminary findings and to address any deficiencies in the Hennis financial submission.

Let me know if you have a time in mind early next week. Suzanne is free next Tuesday afternoon (10/18), and I believe Mark might be back from his work trip in Europe. I'm not certain of Mark's schedule yet, but Suzanne is more than willing to discuss the current status of the ATP work next week.

All the best,

Darren
